> Thank you so much!!! Please let me know. You guys are so awesome. I don't know if you heard the farms formed an alliance. They offered free water if they put an RO System in your kitchen sink. Unfortunately that doesn't help me or many others at the nitrate levels we are at. Then people are telling me the Alliance wants the counties of Juneau and Wood to sign off on their liability because they offered this deal.

>
> They dump manure nonstop now everyday even in rain. Then fly over your house with their pesticide planes. It's a crazy bad place here now. Worse then ever. It's sad. The Department of Ag. Water test here showed the same amount of pesticides here at my home including Atrazine. I'm not certain they will ever stop here.
